- Averaged **150** petitions per month in 2015. Filings are slightly down to around **143** per month in 2016.

IPR, CBM, and PGR Filings

PGR Outcomes

- Though there are few PGR proceedings, the outcomes have tracked slightly below overall PTO litigation averages for claim institution and cancellation.
- In **PGRs**, trial has been instituted for **59%** of proceedings (16 of 27) and for **54%** of the challenged claims.
- In six final written decisions, the Board has cancelled all instituted claims in three proceedings, cancelled some instituted claims in two cases, and preserved all claims in the other. The overall instituted claim cancellation rate for PGRs is **77%** (92 of 119).
